

H-K500

Intelligent aroma diffuser

- Electroplating design
- Ultra-long battery life
- The new generation atomization system

100m²/300m³ Diffusion range

The time/concentration is adjustable

Natural cycle

Two-fluid atomization technology

Ultra-long battery life

Silent operation

Provide a fragrant environment at any time

All-round fragrance Applicable to 100m²/300m³ Space

Provide a fragrant environment at any time

The operating noise is lower than 35db

Don't disturb sleep

20db Breathe 35db H-K500 45-55db Library 60-70db Noisy 80-100db Alarm clock

PRODUCT PARAMETERS

PRODUCT PARAMETERS

Brand: HYAROMA

Model: H-K500

Voltage/power: DC5V1A/3W

Noise: <35db

Capacity: 150ml

Atomization volume: 1g±0.1g

Atomization: Two-fluid atomization

Installation method: Lay/Wall

Material: Plastic

Weight: 0.35kg

Size: W18×D57×H160mm

Scope: 100m²/300m³
